LABOHLANO
TRADING 137

EXECUTIVE OVERVIEW

More Than a Construction Company – We're a Movement for Quality and Excellence

Lebohlano Trading is a 100% Black-Owned powerhouse in the South African construction and maintenance industry. Since 2010, we've been redetining quality, safety, and dependability in steel manufacturing, Cvil construction, and property maintenance for mining, government, and corporate sectors.

WE BRING

01 Highly skilled teams (over 200 workers across divisions

02 SHEQ-compliant operations

03 Rapid mobilization for any site across SA

04 Turnkey delivery with scalable solution

05 Decade-plus track record of excellence

WHO WE ARE

From Local Roots to Industry Leaders

We began as a small construction outfit in Rustenburg, Taday, Labonlano Trading has grown into a trusted multi-branch company that services top-iter mining operations, municipalities, and private sector developments,

Our Vision

To dominate the mining and corporate construction sector through innovative, high-quality, and sustainable solutions

Core Values

🎯 **Accountability** - We own what we do.

⭐ **Precision** - Quality isn't optional. It's standard.

⚙️ **Performance** – Projects delivered. Expecutions exceeded.

📈 **Progress** - Every contract, every day, we evolve.
